

### **Visit of a delegation from Ethiopian/ Southern Sudan to KIST**

On Wednesday December 09<sup>th</sup>, a delegation composed of seven business developers from Ethiopia visited CITT as part of the study tour that they are undertaking in Rwanda from 08<sup>th</sup> to 15<sup>th</sup> December 2009 to learn about Business Incubation. The group was joined by four members from the Ministry of Commerce and Industry of South Sudan Government. The two delegations held a meeting with CITT staff, during which the Director of CITT Mr. Rajeev Aggarwal gave a presentation on the role of KIST and a brief description of the various department forming CITT. The meeting was concluded by an open discussion between the members of the two delegations and CITT staff.. During the discussion the representative of Southern Sudan Government requested KIST to sponsor students from Southern Sudan and to replicate the Technology and Business Incubation Facility model in Southern Sudan. The visiting delegation appreciated the role of KIST towards industrial development of Rwanda.
